# Tenā koutou i ngā āhuatanga o te wā, Greetings to you all at this time

Kia ora e te whanau,

I cannot believe that we are looming week 6. Our classrooms are all humming away with assessment and Matariki night preparation. We are so excited to be hosting a 'night market' event this year. We can showcase our amazing students and share our learning with you all! I hope you have all locked in the evening of Thursday July 4 to help us celebrate!

Week five has been a busy week for Ngahere! We want to extend a massive thank you to all of our whānau who have transported students to the Science Roadshow and to the year 5-6 Winter Sports. It is so amazing to have parents supporting our events to help give our students awesome opportunities. I know they all appreciate the hands on experiences it gives them.

Is is so great seeing 'Kea' our tech suite being used so much since it's official opening. It is a fantastic space for our students to develop real life skills in the kitchen. Kākano have been celebrating various countries by making dishes from different areas of the world, they have been making scones and French toast. Team Kiwi have learned to make pumpkin soup this week!

Next week, we have a 'Movie day' fundraiser for Team Kiwi's trip to Wellington in November. Our camp will be a fabulous way for students to see leadership first hand as we are visiting parliament and learning lots about the history of New Zealand.

We hope you have a fantastic (extra) long weekend, get lots of rest and recuperate for a busy rest of term!

Ngā mihi nui,

*Trudi Bertie*

Deputy Principal
