### Property Works at Maungakaramea School: (Swimming Pool implications)

As you will be aware, we are expecting two new classrooms. The works for this project will begin towards the end of this term.

Due to the location of the building project, we will **not be able** to open our school pool to the community this season. The pool will not open until the first day of the 2025 school year for our normal aquatics programme.

This is not a decision the Board has come to lightly, however we have taken Ministry of Education advice around Security and Health and Safety.

We apologise for any inconvenience.

The plans for the new classrooms are on display at the office entrance.

### Teacher Only Day:

The Ministry of Education has made a mandatory Teacher Only Day for schools in early Term 4.

Our Senior Leadership Team has decided to have this ToD on Tuesday 29th October.

This is the day after Labour Day.

Please put this on your calendar.

### School Photos:
